

## **RÉSUMÉ DIGEST**

**SR 161**

**2022 Regular Session**

**Allain**

Establishes the Emerging Energy Codification Task Force to study and make recommendations regarding the codification of laws relative to emerging energy technologies and related issues. Requires the task force report an update of its findings and recommendations on or before Feb. 10, 2023, and a final report on or before Feb. 9, 2024.
