

RÉSUMÉ DIGEST

ACT 592 (SB 333)

2022 Regular Session

Hewitt

New law provides for the abolition of certain boards, commissions, authorities, and like entities; abolishes the functions and responsibilities of the entity and provides for any necessary transitions and transfers, all as follows:

Medical Education Commission: Prior law created the commission to make recommendations to the secretary of the Department of Health on the distribution of funding for residency positions, residency supervision, and other medical education resources for the LSU HSC hospitals among medical education programs providing services and to analyze and make recommendations to the secretary of the Department of Health regarding appropriate formulas to be used in calculating the amounts to be paid to a medical institution in support of its training programs in the LSU HSC hospitals. New law abolishes the commission.

Health Education Authority of Louisiana: Prior law created the authority to promote the medical and health educational activities of various public and private institutions and organizations in the state of Louisiana and to promote health and welfare of its citizens through encouraging and assisting in the provision of medical care and prompt and efficient health and health-related services at reasonable cost by public and private institutions and organizations. New law abolishes the authority.

Effective June 17, 2022.
