

## RÉSUMÉ DIGEST

**ACT 667 (SB 108)**

**2022 Regular Session**

**Ward**

Prior law provides for the definition of "utility terrain vehicle" that includes maximum tire width, wheel cleat, pounds, and wheel base.

New law repeals certain provisions in prior law relative to size specifications.

New law changes weight specifications from 2,000 pounds to 3,500 pounds.

Effective June 18, 2022.
