2022 Regular Session

Dustin Miller

Requests the La. Dept. of Insurance (LDI) to study the costs and benefits of providing health insurance coverage for therapies and treatments for pediatric acute-onset neuropsychiatric syndrome (PANS); pediatric autoimmune neuropsychiatric disorders associated with streptococcal (strep) infections (PANDAS); and PANS and PANDAS considered as types of autoimmune encephalitis (AE).

Requests LDI to report its findings and recommendations from the study to the House and Senate committees on insurance on or before Feb. 1, 2023.
