**ACT 152 (HB 347)**

**2022 Regular Session**

**Turner**

Existing law provides for any facility having a documented affiliation agreement with a Louisiana medical school accredited by the Liaison Committee on Medical Education to be recognized as a major teaching hospital by the Louisiana Medical Assistance Program.

New law retains existing law and additionally allows any facility having a documented affiliation agreement with the Commission on Osteopathic College Accreditation to be recognized as a major teaching hospital by the Louisiana Medical Assistance Program.

Effective August 1, 2022.
