

RÉSUMÉ DIGEST

ACT 385 (HB 400)

2022 Regular Session

Hodges

New law requires each public school nurse, coach, athletic trainer, and athletic director, whether employed or serving as a volunteer, to complete annually a sudden cardiac arrest education program developed by the state Dept. of Education (DOE). Authorizes DOE to use materials from nonprofit organizations with missions related to cardiac health in developing the program. Requires DOE to make the program available on its website free of charge.

Effective August 1, 2022.
