

## RÉSUMÉ DIGEST

**ACT 133 (HB 201)**

**2022 Regular Session**

**Harris**

Prior law (sunset law) provided that the state Dept. of Education (DOE) and all statutory entities made a part of DOE by law would begin to terminate operations on July 1, 2022, and that all legislative authority for such entities ceased as of July 1, 2023, unless the legislature enacted law authorizing the re-creation of DOE and its statutory entities prior to July 1, 2022.

New law re-creates DOE and its statutory entities, effective June 30, 2022, in accordance with the sunset law. Supersedes the provisions of the sunset law which set out the procedure for review and re-creation and which require a separate bill to re-create each statutory entity within the department along with additional provisions.

The new termination date is July 1, 2027, and termination would begin on July 1, 2026, unless the department is again re-created.

Effective June 30, 2022.
