SB 54 Original DIGEST 2023 Regular Session Morris

Present law requires that an officer must issue a summons for misdemeanor offenses, and theft or possession of stolen things where the value of the thing is \$500 or more but less than \$1,000, under certain circumstances, in lieu of arrest where certain factors are present.

Proposed law removes the present law requirement and permits law enforcement officers to exercise discretion to either make an arrest or issue a summons.

Effective August 1, 2023.
