Exempts certain persons who sell trolling motors from licensing requirements. (8/1/23)

Proposed law defines "trolling motor" as well as excludes it from the definition of marine motor, marine engine, marine production, and recreational products. Under proposed law, any person renting or selling a new or used trolling motor is not considered a marine dealer or recreational products dealer and is exempt from being licensed.

EXPENDITURE EXPLANATION

Proposed law will decrease \$3,827 SGR expenditures within the Louisiana Motor Vehicle Commission as a result of a reduction in licensing applications to process. The LA Motor Vehicle Commission anticipates a decrease in personnel costs (\$3,660) and operating expenditures for mailing and postage (\$167) as applications for licenses to sell trolling motors would cease under this measure.

REVENUE EXPLANATION

Proposed law will result in a \$26,225 SGR revenue decrease annually in the Louisiana Motor Vehicle Commission by eliminating licensing fees for selling trolling motors as follows:
