SB 230 Original

2023 Regular Session

Allain

<u>Proposed law</u> increases an individual income taxpayer's federal tax liability for purposes of the federal income tax deduction by the amount by which the taxpayer's federal income tax was reduced by claiming disaster losses attributable to Hurricane Ida for taxable periods beginning on January 1, 2020, through December 31, 2021.

Proposed law applies prospectively and retroactively.

Effective upon signature of the governor or lapse of time for gubernatorial action.
