The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Archana D. Cadge.

DIGEST 2023 Regular Session

Carter

<u>Proposed law</u> provides for any person 18 to 40 to give written consent and indicate their intention to donate bone marrow on their driver's license application. <u>Proposed law</u> further indicates applicants that give consent will allow their genetic information to be obtained and stored in a national database and accessible by cancer doctors.

Effective August 1, 2023.

(Adds R.S. 32:410(G))

SB 98 Engrossed

Summary of Amendments Adopted by Senate

Committee Amendments Proposed by Senate Committee on Transportation, Highways, and Public Works to the original bill

- 1. Provides for bone marrow donation and the process in which the office of motor vehicles must obtain consent for donation.
- 2. Removes bone marrow from the organ donor section of law.
- 3. Provides for the process of bone marrow donation and match with patients.
