Opp. Chamb. Action:

Proposed Amd.:

Sub. Bill For.:

Date: April 29, 2023	6:53 AM	Author: SCHAMERHORN
Dept./Agy.: Corrections		Analyst: Daniel Druilhet
Subject: Contraband and Correctional Facilities		

CORRECTIONAL FACILITIES OR INCREASE LF EX See Note
Provides relative to certain activities regarding contraband

Page 1 of 1

Current law prohibits persons from introducing, possessing, or sending contraband into or from any state correctional institution or municipal or parish jail. Current law provides the current definitions of contraband and contraband in penal institutions. Current law provides that introduction of contraband upon the grounds of any state correctional institution is subject to the same penalties assigned to distribution of a controlled dangerous substance (CDS).

Proposed law amends present law to also prohibit persons from attempting to introduce, take, give, or attempt to give contraband to an inmate of any correctional facility (jail, prison, penitentiary, juvenile institution, temporary holding center, or detention facility). Proposed law also adds any tobacco product defined by present law as contraband and changes the crime of contraband in penal institutions to contraband in correctional facilities.

EXPENDITURES	2023-24	2024-25	2025-26	2026-27	2027-28	5 -YEAR TOTAL

Local Funds	INCREASE	INCREASE	INCREASE	INCREASE	INCREASE	
Annual Total						

EXPENDITURE EXPLANATION

Proposed law will likely result in an increase in local expenditures to parish and local jails. Proposed law has the effect of expanding the crime of introducing contraband into or upon the grounds of a state correctional institution to any correctional facility within the state (which adds parish and local jails). Proposed law will likely result in the potential for more convictions, as it covers a larger number of facilities into which introducing contraband can result in conviction and a subsequent sentence of imprisonment. The exact fiscal impact on local expenditures is indeterminable, because there is no way to determine how many persons will be convicted of violating proposed law or the lengths of sentences that will be imposed.

Local expenditures will increase annually by \$9,632.35 (\$26.39 per day x 365 days) for those convicted and subsequently housed in local facilities.

REVENUE EXPLANATION

Proposed law will likely result in an indeterminable increase in local revenues as a result of potential fines imposed for conviction of introducing contraband into or upon the grounds of any correctional facility within the state. The exact fiscal impact to local revenues is indeterminable because the fine assessed for offenders convicted of introducing contraband into or upon the grounds of any correctional facility within the state varies (as it aligns with optional fines assessed for distribution of a CDS). The potential revenue will accrue to the local governing authority.
