

1 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
2 urge and request that the agency head or designee of each state agency report to the
3 Department of Transportation and Development, public transportation section, by August
4 1, 2023, the amount, source, and spending category for any transportation services during
5 Fiscal Year 2022, including direct payments to clients, as well as funds paid to vendors or
6 contractors, or that there are no funds or expenditures to report.

7 BE IT FURTHER RESOLVED that the Department of Transportation and
8 Development, public transportation section, shall then compile a summary report that
9 identifies the total amount spent on transportation services by state agency programs.

10 BE IT FURTHER RESOLVED that the Department of Transportation and
11 Development, public transportation section, shall examine the data and report to the House
12 Transportation, Highways, and Public Works Committee by February 1, 2024, with a
13 recommendation on how the state can better coordinate and maximize transportation services
14 for the citizens of the state of Louisiana.

15 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
16 agency head of each state agency.

DIGEST

The digest printed below was prepared by House Legislative Services. It constitutes no part of the legislative instrument. The keyword, one-liner, abstract, and digest do not constitute part of the law or proof or indicia of legislative intent. [R.S. 1:13(B) and 24:177(E)]

HCR 40 Engrossed

2023 Regular Session

Pierre

Urges and requests state agencies to report fiscal data for program funds spent on transportation services for their clients and that the data be compiled by the commissioner of administration for use in better coordinating transportation services. Urges agency heads to provide a summary report of the collected data to the Dept. of Transportation and Development, public transportation section, by Dec. 1, 2023. Requires the department report their recommendations to the House transportation committees by Feb. 1, 2024.

Summary of Amendments Adopted by House

The Committee Amendments Proposed by House Committee on Transportation, Highways and Public Works to the original bill:

1. Change the entity responsible for reporting transportation cost related data from fiscal officers to agency head or designee.
2. Change the entity responsible for compiling the transportation cost related data from the commissioner of administration to the Dept. of Transportation and Development, public transportation section.

3. Change the date that transportation cost related data is to be submitted from Oct. 1, 2023 to Aug. 1, 2023.
4. Remove from public transportation section the requirement to provide the report to the Dept. of Transportation by Dec. 1, 2023.
5. Change the authority for a copy of the resolution to be transmitted from the commissioner of administration to the agency head of each state agency.
