SB 115 Reengrossed

2023 Regular Session

Boudreaux

Present law (R.S. 29:288) provides for spouses and children of certain veterans who were killed in action, died during active service, died as a result of a service-connected disability, who are missing in action, or who are prisoners of war to receive a tuition and fee waiver at public postsecondary institutions.

Proposed law allows the waiver to be granted to the spouses and children of deceased veterans who, prior to death, were rated ninety to one hundred percent disabled or determined to be unemployable as a result of a service-connected disability.

Present law limits the waiver to veterans who had resided in Louisiana for at least 12 months prior to entrance into the service.

Proposed law also allows the tuition and fee waiver to be granted to spouses or children of certain veterans who had been residents of Louisiana for at least 24 months prior to death.

Present law further allows children of certain living disabled veterans to receive a tuition and fee waiver.

Proposed law makes technical amendments relative to placement of provisions in present law.

Present law (R.S. 17:1686) provides for a tuition waiver for certain children of deceased veterans who died as a result of injuries sustained in the course of duty.

Proposed law prohibits postsecondary education institutions from providing tuition waivers to students under both provisions of law.

Proposed law requires the Louisiana Workforce Commission to consult with the department of veterans affairs to create and distribute a veteran's benefits and services poster.

Proposed law provides for the poster to include information regarding, at a minimum, the following services available to veterans:

- (1) Contact and website information for the department of veterans affairs and its services offered to veterans.
- (2) Contact information for the U.S. Department of Veterans Affairs Veterans Crisis Line.

- (3) Mental health and substance abuse prevention resources.
- (4) Veteran homelessness prevention resources.
- (5) Veteran disability compensation and pension claims filing assistance.
- (6) Educational, workforce, and training resources.
- (7) Louisiana state property and military retiree pay tax exemptions available to veterans.
- (8) State veteran home and cemetery benefits.

Proposed law requires every employer in the state with more than 50 full-time equivalent employees to display the poster in a conspicuous place accessible to employees in the workplace.

Effective upon signature of the governor or lapse of time for gubernatorial action.

(Amends R.S. 29:288; adds R.S. 17:1686(D) and R.S. 29:771.1)
