DIGEST

SB 87 Engrossed

2023 Regular Session

Robert Mills

Present law provides for a metropolitan planning area consisting of the area located in the village of Benton and the area lying within a five-mile radius outside of the village of Benton in the unincorporated part of Bossier Parish. Present law further provides for the creation, organization, powers, and duties of a metropolitan planning commission to manage the metropolitan planning area.

Proposed law retains present law and expands the jurisdictional boundaries of the metropolitan planning area to extend beyond the five-mile radius in present law to include a larger portion of the unincorporated area of Bossier Parish and proposed law changes the term "village" to "municipality".

Present law defines the "metropolitan planning commission" to mean the Benton-Parish Metropolitan Planning Commission.

Proposed law defines the "metropolitan planning commission" to mean the Benton Metropolitan Planning Commission.

Effective August 1, 2023.
