Exempts certain persons who sell trolling motors from licensing requirements. (8/1/23)

Proposed law defines "trolling motor" as well as excludes it from the definition of marine motor, marine engine, marine production, and recreational products. EXPENDITURE EXPLANATION

Proposed law will decrease \$3,827 SGR expenditures within the Louisiana Motor Vehicle Commission as a result of a reduction in licensing applications to process. The LA Motor Vehicle Commission anticipates a decrease in personnel costs (\$3,660) and operating expenditures for mailing and postage (\$167) as applications for licenses to sell trolling motors would cease under this measure.

REVENUE EXPLANATION

Proposed law will result in a \$26,225 SGR revenue decrease annually in the Louisiana Motor Vehicle Commission by eliminating licensing fees for selling trolling motors as follows:

License Type	# of Licenses	License Fee	Total
Recreational Product Manufacturer	2	\$500	(\$1,000)
