EXPENDITURE EXPLANATION

Proposed law is anticipated to result in a minimal increase of \$912 SGF expenditures associated with travel reimbursements and per diem as a result of adding two (2) members to the Fireman's Supplemental Pay Board. The proposed law increases the membership of the Fireman's Supplemental Pay Board from five (5) members to seven (7) members. Under current law, members of the Fireman's Supplemental Pay Board receive travel and per diem for attendance at Board meetings. The Department of Public Safety and Correction, Public Safety Services (DPS) anticipates \$512 (2 new members x \$64 average travel reimbursement x 4 meetings per year) in travel expenditures and \$400 per diem expenditures (2 new members x \$50 per diem x 4 meetings per year). The fiscal note presumes these minimal costs will be absorbed within the agency's existing operating budget.

REVENUE EXPLANATION
