15 the location of the berthing facility may levy a fee not to exceed four and five-tenths  
16 percent of the monthly net gaming proceeds from each riverboat located within the

22 authority may take into account the capital investment of the riverboat licensee in  
23 developing the berthing facility site including but not limited to hotels, convention  
24 facilities, and other recreational improvements. In addition to the levy of the fee as

1 provided herein, the parties may contract to establish a minimum annual fee and for  
 2 the payment of additional amounts to cover infrastructure and other public services;  
 3 accordingly, the establishment of a minimum fee or the payment of additional  
 4 amounts shall not be considered when computing the effective rate of the levy of the
