Provides relative to the licensing and regulation of virtual businesses. (8/1/23)

Current law provides the framework for the regulation and licensing of entities engaging in virtual currency business activities in the state. Proposed law adds new definitions; licensing requirements; processes for the issuance, denial, and renewal of licenses; change of control notices; change of responsible individual notices; enforcement authority; penalties for violations; and more. The Commissioner of the Office of Financial Institutions shall submit a quarterly report on the license applications, permits granted, applicants denied, and fees assessed in the application process.
