Further requires each agency to submit an annual report of rule making activities to the appropriate oversight committee no later than 30 days prior to the beginning of each regular session.

Present law specifies the standing committees of the legislature with oversight over rules from specific agencies and provides for the presiding officers to determine those not specified. Proposed law provides that each presiding officer of the legislature may establish a select committee on oversight for his house of the legislature that, if established, may exercise the same power and authority granted under the provisions of present law to a standing committee or to an oversight subcommittee of a standing committee of that house of the legislature if the chairman of the standing committee or oversight subcommittee notifies the select committee no later than the seventh day of the committee's oversight period that his committee will not hold a hearing on the proposal.
