

SENATE RESOLUTION NO. 182

BY SENATOR FOIL

A RESOLUTION

To express sincere and heartfelt condolences of the Senate of the Legislature of Louisiana to the family and friends of James Coleman on the occasion of his passing.

WHEREAS, it is with deep regret and profound sorrow that the members of the Legislature and the citizens of Louisiana have learned of the passing of James Malcolm Coleman on May 20, 2023, at his home in Baton Rouge, Louisiana; and

WHEREAS, James Malcolm Coleman was born on November 19, 1935, in Vinton, Louisiana, to Leo George Coleman and Clara Gaudet Coleman; and

WHEREAS, James Coleman earned his bachelor of science in geology in 1958, and his doctorate in 1966, from Louisiana State University (LSU); and

WHEREAS, James' career of more than forty-five years was one of high scientific and administrative achievement; he was a world expert on deltaic sedimentation and riverine processes, and he was LSU's only member of the National Academy of Engineering; and

WHEREAS, as a graduate student, James began studying the Mississippi River delta in the 1960s and with his background, extended his work through field research in Malaysia's Klang River delta, Pakistan's Ganges-Brahmaputra River system, the Arctic delta, and the Ord and Burdekin Rivers of Australia; and

WHEREAS, James directed an investigation of worldwide delta variability funded by the Office of Naval Research and served as co-chief scientist on the 1988 Deep Sea Drilling Project, Leg 96, in the Gulf of Mexico, and this project ultimately led to greater exploration by petroleum companies for oil and gas in deep water fan deposits; and

WHEREAS, after his promotion to full professor in 1975, James accepted his first administrative post, director for the Coastal Studies Institute; and

WHEREAS, from 1985 to 1989, James served as chair of the LSU Department of Geology and Geophysics and head of the School of Geosciences, and from 1989 to 1997, he served as LSU's executive vice chancellor; and

WHEREAS, in 1998, he retired from LSU and returned to the Coastal Studies Institute as a Boyd Professor, LSU's highest academic rank which he received in 1980; and

WHEREAS, James earned many awards and prestigious honors during his career including the Shepard Medal for Excellence in Marine Geology, the Outstanding Educator Award from the Gulf Coast Association of Geological Societies, the Russian Kaptisa Gold Medal of Honor for contributions to petroleum sciences, and was elected to the Russian Academy of Natural Sciences; and

WHEREAS, in 2000, James was appointed by President George W. Bush to the U.S. Commission on Ocean Policy and served on Governor Bobby Jindal's Commission on Coastal Restoration and Conservation; and

WHEREAS, James was invited to be a member of The Honor Society of Phi Kappa Phi, an organization promoting academic excellence in all fields of higher education, was a member of the Rotary Club of Baton Rouge, and served as chairman of the board of the American Red Cross; and

WHEREAS, James is survived by his wife of sixty-four years, Travis Alexander Coleman, their two children, Thomas Malcolm Coleman and Sarah Coleman Fletcher, daughter-in-law, Patti Huck Coleman, and grandson, James Wesley Coleman.

THEREFORE, BE IT RESOLVED that the Senate of the Legislature of Louisiana does hereby express sincere and heartfelt condolences upon the passing of James Malcolm Coleman.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to Travis Alexander Coleman.

---

PRESIDENT OF THE SENATE
