Provides relative to electronic or video bingo machines and licensed premises. (7/1/23)

Proposed law provides that any location or distributor of electronic bingo machines on or before 6/30/2022 are bona fide and valid licenses and permits. Proposed law prohibits the issuance of any licenses or permits after 6/30/2022. In the future, if any new licenses are approved by the legislature after 6/30/2022, proposed law provides for prohibited locations of the charitable gaming organization that operates electronic video bingo machines. If any location where electronic video bingo machines are validly licensed and permitted before 6/30/2022 is destroyed or damaged as a result of a natural disaster, an act of God, force majeure, a catastrophe, or such other occurrence over which the organization has no control, proposed law requires the Department of Revenue, Office of Charitable Gaming shall allow license and permit the operation of electronic or video bingo machines in the same physical location. Proposed law provides for the definition of "residential property". Proposed law provides that licenses may be sold or transferred to a new owner if the new owner is found suitable to hold a charitable gaming license by the Office of Charitable Gaming. Proposed law effective 7/01/2023.
