2023 Regular Session

HOUSE BILL NO. 1

BY REPRESENTATIVE ZERINGUE

1 AN ACT

2 Making annual appropriations for Fiscal Year 2023-2024 for the ordinary expenses of the  
3 executive branch of state government, pensions, public schools, public roads, public  
4 charities, and state institutions and providing with respect to the expenditure of said  
5 appropriations.

6 Be it enacted by the Legislature of Louisiana:

7 Section 1. The appropriations in this Act from state revenue shall be payable out of the  
8 sources specified and shall be limited by the provisions of Article VII, Section 10(D) of the  
9 Louisiana Constitution.

10 Section 2.A. All money from federal, interagency, statutory dedications, or self-  
11 generated revenues shall be available for expenditure in the amounts herein appropriated.  
12 Any increase in such revenues shall be available for allotment and expenditure by an agency  
13 on approval of an increase in the appropriation by the commissioner of administration and  
14 the Joint Legislative Committee on the Budget. Any increase in such revenues for an agency  
15 without an appropriation from the respective revenue source shall be incorporated into the  
16 agency's appropriation on approval of the commissioner of administration and the Joint  
17 Legislative Committee on the Budget. In the event that these revenues should be less than  
18 the amount appropriated, the appropriation shall be reduced accordingly. To the extent that  
19 such funds were included in the budget on a matching basis with state funds, a corresponding  
20 decrease in the state matching funds may be made. Any federal funds which are classified  
21 as disaster or emergency may be expended prior to approval of a BA-7 by the Joint  
22 Legislative Committee on the Budget upon the secretary's certifying to the governor that any  
23 delay would be detrimental to the state. The Joint Legislative Committee on the Budget  
24 shall be notified in writing of such declaration and shall meet to consider such action, but

1 if it is found by the committee that such funds were not needed for an emergency  
2 expenditure, such approval may be withdrawn and any balance remaining shall not be  
3 expended.

4 B. The commissioner of administration is hereby authorized and directed to correct the  
5 means of financing and expenditures for any appropriation contained in Schedule 20-901  
6 Sales Tax Dedications to reflect current law enacted in any session of the Legislature which  
7 affects any such means of financing or expenditure.

8 C. Notwithstanding any provision of law or this Act to the contrary, no funds herein  
9 appropriated or authorized later through a BA-7 in any means of finance may be used for a  
10 contact tracing program that mandates participation by an individual or business entity in the  
11 state of Louisiana.

12 Section 3.A. Notwithstanding any other law to the contrary, the functions of any  
13 department, agency, program, or budget unit of the executive branch, except functions in  
14 departments, agencies, programs, or budget units of other statewide elected officials, may  
15 be transferred to a different department, agency, program, or budget unit for the purpose of  
16 economizing the operations of state government by executive order of the governor.  
17 Provided, however, that each such transfer must, prior to implementation, be approved by  
18 the commissioner of administration and Joint Legislative Committee on the Budget. Further,  
19 provided that no transfers pursuant to this Section shall violate the provisions of Title 36,  
20 Organization of the Executive Branch of State Government.

21 B. In the event that any agency, budget unit, program, or function of a department is  
22 transferred to any other department, agency, program, or budget unit by other Act or Acts  
23 of the legislature, the commissioner of administration shall make the necessary adjustments  
24 to appropriations through the notification of appropriation process, or through approval of  
25 mid-year adjustments. All such adjustments shall be in strict conformity with the provisions  
26 of the Act or Acts which provide for the transfers.

27 C. Notwithstanding any other law to the contrary and before the commissioner of  
28 administration shall authorize the purchase of any luxury or full-size motor vehicle for  
29 personal assignment by a statewide elected official other than the governor and lieutenant  
30 governor, such official shall first submit the request to the Joint Legislative Committee on  
31 the Budget for approval. "Luxury or full-sized motor vehicle" shall mean or refer to such

1 vehicles as defined or used in rules or guidelines promulgated and implemented by the  
2 Division of Administration.

3 D. Notwithstanding any provision of law to the contrary, each agency which has  
4 contracted with outside legal counsel for representation in an action against another agency,  
5 shall submit a detailed report of all litigation costs incurred and payable to the outside  
6 counsel to the commissioner of administration, the legislative committee charged with  
7 oversight of that agency, and the Joint Legislative Committee on the Budget. The report  
8 shall be submitted on a quarterly basis, each January, April, July, and October, and shall  
9 include all litigation costs paid and payable during the prior quarter. For purposes of this  
10 Subsection, the term "litigation expenses" shall mean court costs and attorney fees of the  
11 agency and of the other party if the agency was required to pay such costs and fees. The  
12 commissioner of administration shall not authorize any payments for any such contract until  
13 such report for the prior quarter has been submitted.

14 E. Notwithstanding any provision of law to the contrary, each agency may use a portion  
15 of its appropriations contained in this Act for the expenditure of funds for salaries and  
16 related benefits for smoking cessation wellness programs, including pharmacotherapy and  
17 behavioral counseling for state employees of the agency.

18 Section 4. Each schedule as designated by a five-digit number code for which an  
19 appropriation is made in this Act is hereby declared to be a budget unit of the state.

20 Section 5.A. The program descriptions, account descriptions, general performance  
21 information, and the role, scope, and mission statements of postsecondary education  
22 institutions contained in this Act are not part of the law and are not enacted into law by  
23 virtue of their inclusion in this Act.

24 B. All key and supporting performance objectives and indicators for the departments,  
25 agencies, programs, and budget units contained in the Governor's Executive Budget  
26 Supporting Document shall be adjusted by the commissioner of administration to reflect the  
27 funds appropriated therein. The commissioner of administration shall report on these  
28 adjustments to the Joint Legislative Committee on the Budget by August 15 of the current  
29 fiscal year.

30 C. The discretionary and nondiscretionary allocations if contained in this Act are  
31 provided in accordance with R.S. 39:51(A)(3) and are to provide information to assist in

1 legislative decision making and shall not be construed to limit the expenditures or means of  
2 financing of an agency, budget unit, or department to the discretionary or nondiscretionary  
3 amounts contained in this Act.

4 D. The expenditure category allocations contained in this Act are provided for  
5 informational purposes only from the Governor's Executive Budget supporting documents  
6 in accordance with R.S. 39:51(C) and are to provide information to assist in legislative  
7 decision making and shall not be construed to limit the expenditures or means of financing  
8 of an agency, budget unit, or department to the expenditure category amounts contained in  
9 this Act. The commissioner of administration shall notify the Joint Legislative Committee  
10 on the Budget of the initial allocation of expenditures and means of financing for the  
11 personal services expenditure category at the same time he reports initial expenditure  
12 allocations as required by R.S. 39:57.1.

13 E. The incentive programs, expenditures, and benefits contained in this Act are provided  
14 in accordance with R.S. 39:51(A)(2) and are not included as, nor counted towards, the  
15 operating expenses of the department, agency, or authority.

16 F. The prior year budget and positions contained in this Act are provided in accordance  
17 with R.S. 39:51 and are to provide information to assist in legislative decision making and  
18 shall not be construed as additional expenditures, means of financing, or positions of an  
19 agency, budget unit, or department.

20 Section 6.A. Unless expressly provided in this Act, funds cannot be transferred between  
21 departments or schedules receiving appropriations. However, any unencumbered funds  
22 which accrue to an appropriation within a department or schedule of this Act due to policy,  
23 programmatic, or cost-saving/avoidance measures may, upon approval by the commissioner  
24 of administration and the Joint Legislative Committee on the Budget, be transferred to any  
25 other appropriation within that same department or schedule. Each request for the transfer  
26 of funds pursuant to this Section shall include full written justification. The commissioner  
27 of administration, upon approval by the Joint Legislative Committee on the Budget, shall  
28 have the authority to transfer between departments funds associated with lease agreements

21 governor shall have full power to reduce appropriations in accordance with R.S. 39:75. The  
22 governor shall have the authority to make adjustments to other means of financing and  
23 positions necessary to balance the budget as authorized by R.S. 39:75(C).

3 transfers means of financing and expenditure categories of the appropriations in this Act to  
4 result in a balance between each transfer of funds from one budget unit to another budget  
5 unit in this Act. Such adjustments shall be strictly limited to those necessary to achieve this  
6 balance and shall in no way have the effect of changing the intended level of funding for a  
7 program or budget unit of this Act.

8           Section 12.A. For the purpose of paying appropriations made herein, all revenues due  
9 the state in the current fiscal year shall be credited by the collecting agency to the current  
10 fiscal year provided such revenues are received in time to liquidate obligations incurred  
11 during the current fiscal year.

13 are appropriated in this Act, except those boards or commissions which are solely supported  
14 from private donations or which function as port commissions, levee boards or professional  
15 and trade organizations.

25 from any specific statutory dedication, such appropriations shall be allocated and distributed

8 amount of appropriations from such fund source contained in both acts.

16 commissioner of administration shall implement any internal budgetary adjustments  
17 necessary to effectuate incorporation of these monies into the respective agencies' budgets  
18 for the current fiscal year, and shall provide a summary list of all such adjustments to the  
19 Joint Legislative Committee on the Budget by August 31 of the current fiscal year.

20 Section 16. Should any section, subsection, clause, sentence, phrase, or part of the Act  
21 for any reason be held, deemed or construed to be unconstitutional or invalid, such decisions  
22 shall not affect the remaining provisions of the Act, and the legislature hereby declares that  
23 it would have passed the Act, and each section, subsection, clause, sentence, phrase, or part

31 submitted to the commissioner of administration, Joint Legislative Committee on the

1 Budget, and Legislative Fiscal Office a minimum of sixteen working days prior to  
2 consideration by the Joint Legislative Committee on the Budget. Each submission must  
3 include full justification of the transaction requested, but submission in accordance with this  
4 deadline shall not be the sole determinant of whether the item is actually placed on the  
5 agenda for a hearing by the Joint Legislative Committee on the Budget. Transactions not  
6 submitted in accordance with the provisions of this Section shall be considered by the  
7 commissioner of administration and Joint Legislative Committee on the Budget only when  
8 extreme circumstances requiring immediate action exist.

9 B. Notwithstanding any contrary provision of this Act or any contrary provision of law,  
10 no funds appropriated by this Act shall be released or provided to any recipient of an  
11 appropriation made in this Act if, when, and for as long as, the recipient fails or refuses to  
12 comply with the provisions of R.S. 24:513. No recipient shall be considered to fail or refuse  
13 to comply with the provisions of R.S. 24:513 pursuant to this Section during any extension  
14 of time granted by the legislative auditor or the Legislative Audit Advisory Council. The  
15 legislative auditor may grant a recipient, for good cause shown, an extension of time to  
16 comply with the provisions of R.S. 24:513. The Legislative Audit Advisory Council may  
17 grant additional extensions of time to comply with the provisions of R.S. 24:513 for recipient  
18 entities of an appropriation contained in this Act with recommendation by the legislative  
19 auditor pursuant to R.S. 39:72.1.

20 Section 18.A. Funds appropriated to auxiliary accounts herein shall be from prior and  
21 current year collections, with the exception of State General Fund (Direct). Further provided

28 agency or entity which is not a budget unit of the state unless the intended recipient of those  
29 funds submits, for approval, a comprehensive budget to the legislative auditor and the  
30 transferring agency showing all anticipated uses of the appropriation, an estimate of the  
31 duration of the project, and a plan showing specific goals and objectives for the use of such

1 funds, including measures of performance. In addition, and prior to making such  
2 expenditure, the transferring agency shall require each recipient to agree in writing to  
3 provide written reports to the transferring agency at least every six months concerning the  
4 use of the funds and the specific goals and objectives for the use of the funds. In the event  
5 the transferring agency determines that the recipient failed to use the funds set forth in its  
6 budget within the estimated duration of the project or failed to reasonably achieve its  
7 specific goals and objectives for the use of the funds, the transferring agency shall demand  
8 that any unexpended funds be returned to the state treasury unless approval to retain the  
9 funds is obtained from the division of administration and the Joint Legislative Committee  
10 on the Budget. Each recipient shall be audited in accordance with R.S. 24:513. If the  
11 amount of the public funds received by the provider is below the amount for which an audit  
12 is required under R.S. 24:513, the transferring agency shall monitor and evaluate the use of  
13 the funds to ensure effective achievement of the goals and objectives. The transferring  
14 agency shall forward to the legislative auditor, the division of administration, and the Joint  
15 Legislative Committee on the Budget a report showing specific data regarding compliance  
16 with this Section and collection of any unexpended funds. This report shall be submitted no  
17 later than May 1 of the current fiscal year.

18 (2) Transfers to public or quasi-public agencies or entities that have submitted a budget

20 1 of Title 39 of the Louisiana Revised Statutes of 1950, transfers authorized by specific  
21 provisions of the Louisiana Revised Statutes of 1950 and the Constitution of the State of  
22 Louisiana to local governing authorities, and any transfer to a political subdivision created  
23 for economic development or tourism promotion and established by law in a parish having  
24 a population of no less than two hundred forty-five thousand persons and no more than three  
25 hundred fifty thousand persons shall be exempt from the provisions of this Subsection.

26 (3) Notwithstanding any other provision of law or this Act to the contrary, if the name  
27 of an entity subject to this Subsection is misspelled or misstated in this Act or any other Act,  
28 the state treasurer may pay the funds appropriated to the entity without obtaining the  
29 approval of the Joint Legislative Committee on the Budget, but only after the entity has  
30 provided proof of its correct legal name to the state treasurer and transmitted a copy to the  
31 staffs of the House Committee on Appropriations and the Senate Committee on Finance.

1 C. All departments containing appropriations out of means of financing designated as  
 2 coming from prior and current year collections shall report all prior year balances to the Joint  
 3 Legislative Committee on the Budget at its first meeting held after October 15 of the current  
 4 fiscal year.

5 D. All departments receiving appropriations in this Act shall spend all other means of  
 6 finance prior to spending any State General Fund (Direct), whenever possible, and shall  
 7 reverse warrant any State General Fund (Direct) if any other means of finance becomes  
 8 available prior to the end of the fiscal year to the greatest extent permissible by law.

 13 for purposes specified herein for the current fiscal year. This Act shall be subject to all  
 14 conditions and set forth in Title 39 of the Louisiana Revised Statutes of 1950 as amended.

**SCHEDULE 09**

**LOUISIANA DEPARTMENT OF HEALTH**

12 For Fiscal Year 2023-2024, cash generated by each budget unit within Schedule 09 may be  
 13 pooled with any other budget unit within Schedule 09 to avoid a cash deficit. No budget unit  
 14 may expend more revenues than are appropriated to it in this Act except upon the approval  
 15 of the Division of Administration and the Joint Legislative Committee on the Budget, or as  
 16 may otherwise be provided for by law.

17 Notwithstanding any provision of law to the contrary, the department shall purchase medical  
 18 services for consumers in the most cost effective manner. The secretary is directed to utilize  
 19 various cost containment measures to ensure expenditures remain at the level appropriated  
 20 in this Schedule, including but not limited to precertification, preadmission screening,  
 21 diversion, fraud control, utilization review and management, prior authorization, service  
 22 limitations, drug therapy management, disease management, cost sharing, and other  
 23 measures as permitted under federal law.

24 Notwithstanding any provision of law to the contrary and specifically R.S. 39:82(E), for  
 25 Fiscal Year 2023-2024 any over-collected funds, including interagency transfers, fees and  
 26 self-generated revenues, federal funds, and surplus statutory dedicated funds generated and  
 27 collected by any agency in Schedule 09 for Fiscal Year 2022-2023 may be carried forward  
 28 and expended in Fiscal Year 2023-2024 in the Medical Vendor Program. Revenues from  
 29 refunds and recoveries in the Medical Vendor Program are authorized to be expended in  
 30 Fiscal Year 2023-2024. No such carried forward funds, which are in excess of those  
 31 appropriated in this Act, may be expended without the express approval of the Division of  
 32 Administration and the Joint Legislative Committee on the Budget.

33 Notwithstanding any provision of law to the contrary, the secretary of the Louisiana  
 34 Department of Health may transfer, with the approval of the commissioner of administration  
 35 via midyear budget adjustment (BA-7 Form), up to twenty-five (25) authorized positions and  
 36 associated personnel services funding if necessary from one budget unit to any other budget  
 37 unit and/or between programs within any budget unit within this schedule. Not more than  
 38 an aggregate of one-hundred (100) positions and associated personal services may be  
 39 transferred between budget units and/or programs within a budget unit without the approval  
 40 of the Joint Legislative Committee on the Budget.

41 Notwithstanding any provision of law to the contrary, the secretary of the Louisiana  
 42 Department of Health is authorized to transfer, with the approval of the commissioner of  
 43 administration through midyear budget adjustments, funds and authorized positions from one  
 44 budget unit to any other budget unit and/or between programs within any budget unit within  
 45 this schedule. Such transfers shall be made solely to provide for the effective delivery of  
 46 services by the department, promote efficiencies and enhance the cost effective delivery of  
 47 services. Not more than six million dollars may be transferred pursuant to this authority. The  
 48 secretary and the commissioner shall promptly notify the Joint Legislative Committee on the  
 49 Budget of any such transfer.

1 Notwithstanding any provision of law to the contrary, the department shall not be under any  
2 obligation to perform any of the services as described in R.S. 46:2116, et seq., and may  
3 utilize other revenue sources to provide these services if available. Provided, further, that any  
4 additional funding for state plan personal assistance services may be used as state match for  
5 available federal funds.

6 Beginning on October 15, 2023, and monthly thereafter, the department shall submit to the  
7 Joint Legislative Committee on the Budget for its review a report itemizing the means of  
8 financing and expenditures for Schedule 09-306 Medical Vendor Payments. The department  
9 may vary the forecasting methodologies utilized to produce the reports as necessary to  
10 ensure the submission of the most accurate projections of revenues and expenditures as  
11 practical.

12 The first report shall include a detailed itemization of the actual means of financing and  
13 expenditures for Medical Vendor Payments in Fiscal Year 2022-2023 and budgeted means  
14 of financing and the initial allocation of payments and year-to-date expenditures for Fiscal  
15 Year 2023-2024 delineated by provider group, state agency, or managed care program. The  
16 reporting on the managed care expenditures shall differentiate between expenditures on the  
17 ACA Expansion population and the non-expansion population. The first report shall also  
18 include, for both the prior and current fiscal years, an itemization of supplemental or directed  
19 payment programs by provider group as well as all supplemental or directed payments and  
20 uncompensated care costs payments to the LSU Public Private Partnership hospitals. Finally,  
21 the report shall also provide the total amount of the expenditures on the Managed Care  
22 Incentive Program for both the prior and current fiscal years.

23 In the second report and each subsequent report submitted monthly thereafter, the  
24 department shall include a section detailing the budgeted means of financing versus the  
25 projected use of those means of financing to fund the projected expenditures and as adjusted  
26 for projected revenue collections by source. In the event a surplus is projected, the  
27 department shall provide an explanation of the source of any surplus revenues and the  
28 rationale of the department's proposed use of the means of financing. In the event a deficit  
29 is projected due to the budgeted means of finance or estimated revenue collections being  
30 insufficient to finance projected expenditures, the department shall inform the committee of  
31 any other sources of revenues that may be available or adjustments in expenditures that  
32 could be implemented within the department to aid in alleviating the projected deficit. Also  
33 beginning with the second report and continuing in each report submitted monthly thereafter,  
34 the department shall delineate, in the same manner as presented in the first report of the  
35 fiscal year, the initial allocation of payments, total projected expenditures, and year-to-date  
36 expenditures in Fiscal Year 2023-2024 for each allocation within the programs, the  
37 supplemental or directed payment programs, the supplemental or directed payments and  
38 uncompensated care costs payments to the LSU Public Private Partnership hospitals, and the  
39 total expenditures on the Managed Care Incentive Program.

40 Further, each report shall include a section specifying the total amount of pharmacy rebates  
41 projected to be received by the end of the fiscal year delineated between those generated by  
42 drug utilization of the expansion enrollees versus the non-expansion enrollees and, for the  
43 non-expansion enrollees, between those receiving health care services under the  
44 fee-for-service program versus the managed care program. In addition, each report shall  
45 include a section on current expansion and non-expansion enrollment in the Medicaid  
46 program and projected expansion and non-expansion enrollment through the end of the fiscal  
47 year.

48 Finally, each report shall include a thorough explanation of any policy changes proposed or  
49 implemented by the department since the preceding report submitted to the committee,  
50 including but not limited to those being proposed or implemented by administrative rule  
51 making, state plan amendment, waiver application, or contract amendment, that result in an  
52 increase or decrease in revenue collections and/or expenditures.

1 Provided, however, that, in formulating the hospital directed payment methodology for  
 2 Fiscal Year 2024-2025 during the course of Fiscal Year 2023-2024, the department shall  
 3 collaborate with and seek guidance from the trade organization representing hospitals  
 4 defined pursuant to R.S. 40:1189.3(7)(a) to ensure access to care in the rural areas of the  
 5 state.

6 Provided, further, that in addition to all other reductions required by this Act, the  
 7 commissioner of administration is hereby authorized and directed to reduce the total State  
 8 General Fund (Direct) appropriations in this Act for the Louisiana Department of Health by  
 9 (\$100,000,000) and there shall be no reduction to waiver services or disability services.

27 Expenditure Controls:

28 Provided, however, that the Louisiana Department of Health may, to control expenditures  
 29 to the level appropriated herein for the Medical Vendor Payments program, negotiate  
 30 supplemental rebates for the Medicaid pharmacy program in conjunction with the preferred  
 31 drug list. In these negotiations, the preferred drug list may be adjusted to limit brand name  
 32 drug products in each therapeutic category while ensuring appropriate access to medically  
 33 necessary medication.

34 Provided, however, that the Louisiana Department of Health shall continue with the  
 35 implementation of sustainability strategies to control the costs of the  
 36 Intellectual/Developmental Disabilities Home and Community Based Waivers in order that  
 37 the continued provision of Community Based Waivers for the citizens with developmental  
 38 disabilities is not jeopardized.

39 Public provider participation in financing:

40 The Louisiana Department of Health, hereinafter the "department", shall only make Title  
 41 XIX (Medicaid) claim payments to non-state public hospitals, that certify matching funds  
 42 for their Title XIX claim payments and provide certification of incurred uncompensated care  
 43 costs (UCC) that qualify for public expenditures which are eligible for federal financial  
 44 participation under Title XIX of the Social Security Act to the department. The certification  
 45 for Title XIX claims payment match and the certification of UCC shall be in a form  
 46 satisfactory to the department and provided to the department no later than October 1, 2023.  
 47 Non-state public hospitals, that fail to make such certifications by October 1, 2023, may not  
 48 receive Title XIX claim payments or any UCC payments until the department receives the  
 49 required certifications. The department may exclude certain non-state public hospitals from  
 50 this requirement in order to implement alternative supplemental payment initiatives or  
 51 alternate funding initiatives, or if a hospital that is solely owned by a city or town has

1 changed its designation from a non-profit private hospital to a non-state public hospital  
 2 between January 1, 2010 and June 30, 2014.

3 In order for a hospital to receive any Medicaid payments in addition to inpatient and  
 4 outpatient claims payments, the hospital must provide to the department, claim level data for  
 5 Title XIX, XXI, and uninsured clients as specified by the department.
