

RÉSUMÉ DIGEST

ACT 42 (SB 98)

2023 Regular Session

Carter

New law provides for any person ages 18 to 40 to give written consent and indicate their intention to donate bone marrow on their driver's license application. New law further indicates applicants that give consent will allow their genetic information to be obtained and stored in a national database and accessible by cancer doctors.

Effective July 1, 2024.
