

RÉSUMÉ DIGEST

ACT 101 (SB 120)

2023 Regular Session

White

Prior law provided that the state appropriations for the M. J. Foster Promise Program may not exceed \$10,000,000 per year for students enrolled in public postsecondary education institutions.

Prior law provided that the state appropriations may not exceed \$500,000 for students enrolled in proprietary schools.

New law provides that the state appropriations for the program may not exceed \$10,500,000 per year for students enrolled in public postsecondary education institutions or proprietary schools.

New law eliminates separate allocations between public and proprietary schools.

Effective June 6, 2023.
