2024 Regular Session

Abstract: Provides for reemployment of contract or corporate contract teachers in the Teachers' Retirement System of La. (TRSL).

Present law provides for retirement benefit suspensions for TRSL retirees who return to work in a position covered by TRSL:

- (1) For those who retired prior to July 1, 2020:
 - (a) Suspension during reemployment that occurs within 12 months of retirement even if such service is based on contract employment.
 - (b) Reemployment in certain positions not otherwise excepted from suspension even if such service is based on contract employment.
 - (c) Certain other exceptions from suspension cannot be applied to service based on contract employment.
- (2) For those who retired on or after July 1, 2020, benefits are suspended for anyone who is reemployed pursuant to a contract.

Proposed law allows TRSL retirees to be reemployed through a contract or corporate contract without any suspension of their retirement benefit.

Proposed law is effective from July 1, 2024, until July 1, 2026.

Proposed law requires that any cost of proposed law be funded with additional employer contributions in compliance with Art. X, Sec. 29(F) of the state constitution.

Effective in part July 1, 2024; effective in part July 1, 2026.
