SB 3 Original 2024 Second Extraordinary Session Cloud

Present law defines "child" for the purposes of delinquency proceedings as any person under the age of 21, including an emancipated minor, who commits a delinquent act on or after July 1, 2020, and before the person attains 18 years of age.

Proposed law terminates the application of present law on March 1, 2024. Proposed law further provides that between March 1, 2019, and June 30, 2020, "child" means any person under the age of 21, including an emancipated minor, who commits a delinquent act between March 1, 2019, and June 30, 2020, when the act is not a crime of violence and occurs before the person attains 18 years of age. Proposed law further provides that between July 1, 2020, until March 1, 2024, "child" means any person under the age of 21, including an emancipated minor, who commits a delinquent act between July 1, 2020, and March 1, 2024, and before the person attains 18 years of age.

Proposed law provides that after March 1, 2024, "child" means any person under the age of 21, including an emancipated minor, who commits a delinquent act before attaining 17 years of age.

Present law provides that a "delinquent act" is an act committed by a child of 10 years of age or older that, if committed by an adult, would be a crime under state or federal law.

Proposed law retains present law.

Effective upon signature of the governor or lapse of time for gubernatorial action.
