Present law provides that the La. Tax Commission is composed of five members appointed by the governor from the public service commission districts. Provides that the governor shall designate one of the members as chairman and set the salaries of the chairman and members of the tax commission. Present law provides that the commission shall be domiciled in the capital (Baton Rouge) and shall administer and enforce all laws related to the state supervision of local property tax assessments and the assessment of public service properties and measure the level of appraisals or assessments and the degree of uniformity of assessments for each major class and type of property in each parish throughout the state, among other duties. Proposed law retains present law.

Present law establishes the La. Tax Commission as an independent agency within the office of the governor with autonomy including with respect to budgetary, procurement, and general accounting and management functions relative to its operations in the manner provided by present law (R.S. 36:801.1).

- (1) The department secretary shall exercise all functions necessary for the administration and implementation of the policies and rules of the agency which do not relate to rulemaking, licensing, regulation, enforcement, and adjudication, including personnel management.
- (2) The department undersecretary shall, under the supervision and control of the secretary, perform and administer all functions of each agency which are in the nature

of accounting and budget control, management and program analysis, and grants management.
