Abstract: Removes an exception for local government unit purchases of vehicles for conversion to a law enforcement vehicle.

Present law provides an exception for purchase by a local government unit of a new motor vehicle for conversion into a law enforcement vehicle that does not exceed the purchase price of \$40,000.

Present law requires that purchases by a local government unit of new motor vehicles for conversion into law enforcement vehicles that exceed the price of \$40,000 must be advertised and let out for bid.

Proposed law removes the exception in present law and places the purchase by a local government unit of a new motor vehicle for conversion into a law enforcement vehicle back under the authority of public bid law.
