HB 492 Original

2024 Regular Session

Geymann

**Abstract:** Clarifies the rights of land owners relative to eminent domain.

Present law specifies that the right of eminent domain cannot prejudice an owner's land or mineral rights not acquired for a storage facility or necessary for use of acquired property.

Proposed law clarifies that the protections afforded land owners in present law extend to all other uses not acquired for a storage facility or necessary for use of acquired property.
