
The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by Heather McKnight.

SB 209 Original

DIGEST
2024 Regular Session

Duplessis

Present law provides that the state hospitals, or their successor state agencies, are hereby authorized and directed to deposit into the state general fund all receipts from lease or rental payments for the lease of hospital buildings, facilities, or equipment as recognized by the Revenue Estimating Conference.

Proposed law revises present law to provide that, beginning in Fiscal Year 2024-2025, the state hospitals, or their successor state agencies, are hereby authorized and directed to deposit into the state treasury all receipts from lease or rental payments for the lease of hospital buildings, facilities, or equipment. The receipts shall be classified and considered as fees and self-generated revenues available for appropriation to the Louisiana Department of Health as recognized by the Revenue Estimating Conference.

Effective upon signature of the governor or lapse of time for gubernatorial action.
