The original instrument and the following digest, which constitutes no part of the legislative instrument, were prepared by James Benton.

DIGEST 2024 Regular Session

Reese

<u>Proposed law</u> provides that in any parish with a population of not less than 36,000 persons and no more than 36,700 persons based on the latest federal decennial census, the funds of a fire district number two located in that parish will be administered by the board of commissioners of the district.

Effective August 1, 2024.
