DIGEST

SB 379 Original

2024 Regular Session

Miguez

Present law declares the Atchafalaya Basin Bridge as a highway safety corridor and provides that a person operating a motor vehicle that violates the provisions of present law while on the Atchafalaya Basin Bridge shall be fined two times the standard fine imposed.

Proposed law repeals present law.

Present law requires the Department of Transportation and Development to install camera safety devices, establish a process for identification of motor vehicles traveling in excess of the posted speed limit and issuance of warnings and citations, and to adopt policies and procedures for the issuance of citations and the collection of fines.

Proposed law repeals present law.

Present law creates in the state treasury a special fund and provides that any monies collected as fines be deposited into the fund.

Proposed law repeals present law.

Effective August 1, 2024.

(Repeals R.S. 32:57(J) and 268)
