AN ACT

To enact R.S. 3:21, relative to the Agricultural Meteorology Program; to create a program within the Department of Agriculture and Forestry; to provide relative to the purpose of the program; and to provide for related matters.

Be it enacted by the Legislature of Louisiana:

Section 1. R.S. 3:21 is hereby enacted to read as follows:

**§21. Agricultural Meteorology Program; creation; legislative findings; purpose**

**A. Legislative findings. The legislature finds that federal programs of disaster assistance for the agriculture and forestry industries rely on accurate and timely meteorological data.**

**B. Creation and purpose. There is hereby created the Agricultural Meteorology Program, hereinafter referred to as the "program" within the department. The purpose of the program is to collect and disseminate weather statistics and meteorological data to federal and state agencies, including but not limited to the National Oceanic and Atmospheric Administration, the United States Department of Agriculture, and the Louisiana Office of State Climatology.**

1           Section 2. This Act shall become effective upon signature by the governor or, if not  
2 signed by the governor, upon expiration of the time for bills to become law without signature  
3 by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If  
4 vetoed by the governor and subsequently approved by the legislature, this Act shall become  
5 effective on the day following such approval.
