HB 417 Engrossed	2024 Regular Session	Lyons
IID +1 / Lingitussid	2024 Regular Bession	Lyons

Abstract: Requires the La. Dept. of Health to evaluate its internal systems before implementing plans to utilize a single transportation company to provide NEMT services.

<u>Proposed law</u> requires the La. Dept. of Health (LDH) to evaluate its internal systems and determine whether implementing a nonemergency medical transportation (NEMT) plan utilizing a single transportation company to provide services is beneficial to the healthcare community.

<u>Proposed law</u> requires the evaluation to be conducted via a public hearing before the House and Senate committees on health and welfare.

<u>Proposed law</u> requires LDH's internal evaluation to include responses gathered from a representative number of healthcare providers who use or are affiliated with the NEMT system. <u>Proposed law</u> further requires LDH to determine the best method for response submission.

<u>Proposed law</u> requires LDH to thoroughly evaluate its policies and provisions regarding certain topics, relative to transportation brokers and NEMT services. <u>Proposed law</u> further requires the evaluation to include but not be limited to all of the following:

- (1) Compliance.
- (2) Funding.
- (3) Scheduling.

<u>Proposed law</u> requires LDH to consider the responses submitted in accordance with <u>proposed law</u> to make its determination.

<u>Proposed law</u> provides that each managed care organization shall reserve the right to manage its own NEMT compliance with the provisions of <u>proposed law</u>.
