DIGEST

SB 40 Engrossed

2024 Regular Session

Allain

Present law establishes the Seafood Safety Task Force within the Louisiana Department of Health as a 12 member task force charged with obtaining certain information regarding imported seafood and reporting the information to certain legislative committees by March 1, 2010.

Proposed law provides updates to the task force membership, expands the mission and purpose of the task force, changes the chairman of the task force and the entity responsible for providing staff support, and provides for ongoing annual reporting to the legislature and governor.

Present law authorizes the task force to appoint committees to fulfill the purposes of the task force.

Proposed law identifies specific committees the task force may establish.

Effective upon signature of the governor or lapse of time for gubernatorial action.
