HB 393 Engrossed

2024 Regular Session

Lyons

Abstract: Requires the La. Dept. of Health to provide certain support services for individuals with dementia.

Present law provides that the La. Dept. of Health (LDH) may educate healthcare providers on certain dementia-related services and care.

Proposed law requires LDH to educate healthcare providers on certain dementia-related services and care and otherwise retains present law.

Present law provides that the office of public health within LDH may include provisions in its public health outreach programs that address certain issues relative to dementia.

Proposed law requires the office of public health within LDH to include such provisions and otherwise retains present law.
