DIGEST

SB 396 Reengrossed

2024 Regular Session

McMath

Present law provides for the licensing and registration of architects by the State Board of Architectural Examiners (board).

Present law provides for exemptions to licensing and registration requirements for certain persons, including civil engineers licensed by the La. Professional Engineers and Land Surveying Board, provided the engineer does not use the designation "architect".

Proposed law retains present law and further adds that the civil engineer licensing and registration exemption shall apply to a licensed civil engineer who does not use the designation "architect", working on a building in the following occupancy classifications:

- (1) For Factory Industrial or Storage the total proposed occupant load shall be unlimited.
- (2) For High Hazard, the total proposed occupant load shall not exceed 299 occupants.
- (3) For Utility and Miscellaneous, the total proposed occupant load shall not exceed 299 occupants.

Proposed law provides that the provisions of proposed law shall not apply to any civil engineer working on a building included in Mercantile, Residential, Educational, Institutional, Assembly, or Business.

Present law provides that no exempt person pursuant to present law shall do any of the following:

- (1) Practice any fraud, deceit, dishonest, gross negligence, misrepresentation, gross incompetence, or misconduct in the practice of architecture.
- (2) Willfully misleading or defraud any person employing him.
- (3) Violate the laws of the U.S. or any state.
- (4) Provide false testimony before the board.
- (5) Affix his seal, stamp, or name to any specification, drawing or other related document which was not prepared by him or under his responsible supervision and control, or permit his seal, stamp, or name to be affixed to any such document.
- (6) Fail to provide, within 30 calendar days of mailing of notice by certified mail, information

requested by the executive director as a result of a formal complaint to the board alleging a violation of present law.

(7) Use any advertising or solicitation which is false or misleading.

(8) Violate any provision of present law.

Proposed law retains present law.

Present law provides for procedures for violations under present law.

Proposed law retains all procedures and violations under present law.

Effective July 1, 2025.
