Present law prohibits library boards of control from hiring a head librarian who has not been certified by the State Bd. of Library Examiners.

Authorizes the boards to require a certificate or permit from the State Bd. of Library Examiners as a qualification for the position of library director.

Proposed law authorizes library boards of control to provide that the library director shall serve as the head librarian. Provides that a head librarian who also serves as the library director is exempt from requirement for certification by the State Bd. of Library Examiners.
