EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. The Louisiana Department of Education (LDOE) reports there is no cost associated with the increase to initial charter school terms. LDOE additionally provided that changes to charter school renewal criteria and contract extensions as a result of extraordinary circumstances can be accomplished by existing department staff. Permitting the reconstitution of a charter school's governing body as an alternative to revocation of the charter, due to violations of laws and policies as specified in proposed legislation, is also not anticipated to impact governmental expenditures.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
