HB 494

2024 Regular Session

Willard

MTR VEHICLE/OFFICE: Provides relative to special identification cards for children.

DIGEST

Present law authorizes La. residents to obtain a special identification card from the office of motor vehicles and for the identifying information and documents to obtain the special identification card to be the same as those for obtaining a La. driver's license.

Present law specifies that applicants who are 17 years old do not need the signature of a custodial parent or guardian provided the applicant has the necessary identifying information and documents.

Proposed law retains present law but expands provision to include 14 to 16 year olds accompanied by a person over the age of 21 with whom they live or a person over the age of 21 who works for an agency that assists children under the age of 18 who can sign in lieu of a parent or guardian provided the applicant has the required identification and documents and is not requesting a REAL ID.

Effective upon signature of governor or lapse of time for gubernatorial action.
