

1 WHEREAS, other states have recognized the benefits of the Family Connects model
2 of postpartum newborn nurse home visiting and designed public and private insurance
3 benefits as a sustainable source of funding for postpartum newborn nurse home visiting
4 programs; and

5 WHEREAS, postpartum nurse newborn home visiting services can help families
6 identify potential health issues that may lead to developmental delays allowing for less
7 costly interventions; and

8 WHEREAS, the state could dramatically change the trajectory for many children by
9 increasing access to postpartum nurse newborn home visiting services to families when
10 children are the most vulnerable and their brains are rapidly developing; and

11 WHEREAS, the Family Connects model of postpartum newborn nurse home visiting
12 has been found to improve health outcomes and reduce costs associated with emergency and
13 inpatient hospital utilization.

14 THEREFORE, BE IT RESOLVED that the Legislature of Louisiana does hereby
15 create the Postpartum Newborn Nurse Home Visiting Task Force.

16 BE IT FURTHER RESOLVED that the task force shall be composed of the
17 following members:

18 (1) The director of the Louisiana Medicaid program or his designee.

16 newborn nurse home visiting services in this state.

17 (6) Defining the scope of services provided by Family Connects postpartum
18 newborn nurse home visiting programs encompassing both billable and non-billable
19 activities.

20 (7) Identifying the most appropriate Medicaid State Plan authority to establish a
21 covered benefit for evidence-based postpartum newborn nurse home visiting services.

22 (8) Recommending suitable reimbursement rates and developing a reimbursement
23 structure for postpartum newborn nurse home visiting.

24 (9) Identifying or creating provider billing codes and recommending provider
25 documentation requirements for Medicaid and private insurance plans.

26 BE IT FURTHER RESOLVED that the task force shall be empowered to request and
27 collect relevant data and information necessary to fulfill its purposes from state agencies,
28 Medicaid managed care organizations, and community-based organizations.

29 BE IT FURTHER RESOLVED that the task force may, to the extent feasible, request
30 such information and data at no cost.

1 BE IT FURTHER RESOLVED that the task force shall incorporate the findings from
2 the study of other states' insurance coverage of evidence-based postpartum newborn nurse
3 home visiting programs in its comprehensive report of findings and policy recommendations.

4 BE IT FURTHER RESOLVED that the Louisiana Department of Health shall
5 provide staff support to the task force to assist with identifying appointees, scheduling task
6 force meetings, recording meeting minutes, conducting policy research, and developing the
7 draft and final report.

8 BE IT FURTHER RESOLVED that the members of the task force shall elect a chair
9 at the first meeting of the task force.

10 BE IT FURTHER RESOLVED that the first meeting of the task force meeting shall
11 be held by August 31, 2024, and shall meet as frequently as it deems necessary for the timely
12 performance of its duties.

13 BE IT FURTHER RESOLVED that a draft report with preliminary recommendations
14 shall be generated and reviewed at a meeting of the task force by January 31, 2025, and a
15 final report with recommendations shall be generated and approved by the task force by
16 February 28, 2025.

17 BE IT FURTHER RESOLVED that the task force meetings may be conducted in
18 person, by telephone, or virtually using a secure web-based platform as authorized by law.

19 BE IT FURTHER RESOLVED that the task force shall transmit a final report of the
20 task force's findings and policy recommendations to the legislature.

21 BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the
22 director of the Louisiana Medicaid program, the director of the bureau of family health
23 within the Louisiana Department of Health, the medical director of the Louisiana Pregnancy-
24 Associated Mortality Review within the Louisiana Department of Health, the deputy
25 commissioner of the Louisiana Department of Insurance, office of health, life, and annuity,
