2024 Regular Session

Amendments proposed by Senate Committee on Natural Resources to Reengrossed House Bill No. 854 by Representative Geymann

1 AMENDMENT NO. 1

On page 1, delete lines 10 through 19 in their entirety and on page 2, delete lines 1 through
7 in their entirety and insert the following:

4	
4	" <u>A. Notwithstanding any local ordinance, administrative rule, or any other</u>
5	provision of law to the contrary, individuals may possess in captivity certain sick,
6	injured, or orphaned wildlife while providing care for such wildlife for a period of
7	up to ninety days as provided for in this Section:
8	(1) Wildlife included under this Section shall be limited to the following
9	species: squirrel, opossum, rabbit, or chipmunk, with such possession limited to one
10	animal or litter of animals per individual.
11	(2) A raccoon or skunk that is sick, injured, or orphaned may also be
12	possessed pursuant to the provisions of this Section upon notification to the
13	Department of Wildlife and Fisheries of possession of the wildlife and upon receipt
14	of information regarding rabies vector species and a list of available wildlife
15	<u>rehabilitators.</u>
16	(3) Individuals in possession of any of these animals shall be held strictly
17	liable for any damages for injuries to persons or property caused by the animal.
18	B. To continue to possess the wildlife beyond ninety day from finding the
19	sick, injured, or orphaned wildlife all of the following shall occur:
20	(1) The individual has satisfied wildlife rescuer training requirements. The
21	curriculum shall be offered online and shall cover at a minimum safety
22	considerations, wildlife husbandry requirements, transfer of diseases, and that a
23	person possessing an animal pursuant to this Section is held strictly liable for any
24	damage or injury the animal causes.
25	(2) The individual applied for a Special Purpose and Possession permit.
26	(3) A Louisiana licensed veterinarian has determined that the animal is
27	medically non-releasable or exhibits signs of adjusted life in captivity.
28	C.(1) If the conditions of Subsection (B) of this Section have been met, the
29	Department of Wildlife and Fisheries shall issue a Special Purpose and Possession
30	permit and the individual shall be able to continue to possess the animal for the
31	duration of its natural life.
32	(2) Any animal possessed pursuant to the provisions of this Section shall be
33	spayed or neutered. Rabies vector species shall also be microchipped by a Louisiana
34	licensed veterinarian.
35	D. A Louisiana licensed veterinarian shall not be liable to any person for any
36	injury, illness, death, loss, civil penalty, or damage as a result of any act or omission
37	in determining that the animal is medically non-releasable or exhibits signs of
38	adjusted life in captivity as required by the provisions of this Section. However, this
39	limitation of liability shall not be applicable if the damage, injury, or loss was caused
40	by the gross negligence or willful or wanton misconduct of the licensed Louisiana
41	veterinarian.
42	E. It shall be unlawful for an individual exempted under the provisions of
43	this Section to use the wildlife in any manner for the purposes of exploitation,
44	including for any promotional or commercial purpose, or for the purposes of pet
45	trade. Any such act shall be grounds for seizure of the wildlife by the department
46	and revocation of any issued permit.
47	F. The Wildlife and Fisheries Commission shall adopt rules pursuant to the
48	Administrative Procedure Act to implement the provisions of this Section."
