

HOUSE SUMMARY OF SENATE AMENDMENTS

HB 880

2024 Regular Session

Schamerhorn

MTR VEHICLE/LICEN PLATES: Provides with respect to the renewal of truck registrations

Synopsis of Senate Amendments

1. Changes the renewal period, for trucks weighing from ten thousand to sixteen thousand pounds, from four years back to one year, but allows the registration to be renewed annually from the date of issuance.

Digest of Bill as Finally Passed by Senate

Present law provides every registration of a truck in excess of 10,000 pounds or trailer licensed pursuant to present law expires one year from the date of issuance and thereafter must be renewed annually between May first and June thirtieth.

Proposed law provides an exception to the annual registration requirement in present law for trucks weighing 10,000 to 16,000 pounds to be renewed annually from the date of issuance.
