The rules created by LED pursuant to proposed law shall be subject to the approval of the commissioner of administration before they are sent to committees required for review of agency rules. In addition, the House Committee on Appropriations and the Senate Committee on Finance shall also have authority for review of agency rules as provided for in present law.

DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

SB 494 Re-Reengrossed

2024 Regular Session

Mizell

Present law establishes the Department of Economic Development (department) as one of the twenty departments of the executive branch.

Proposed law renames the Department of Economic Development to Louisiana Economic Development (LED).

Present law provides for the purposes and functions of the department.

Present law provides for officers of the department, including the secretary, undersecretary, deputy secretary if appointed, and assistant secretaries.

Proposed law removes the present law references to the positions of undersecretary and assistant secretaries.

Proposed law provides that neither the secretary nor the deputy secretary shall be a statewide elected official.

Present law provides for powers, duties, and authority of the secretary.

Proposed law retains present law and adds:

- (1) The secretary shall direct an office within LED to develop and implement a plan to actively seek federal, private, and other grants to support the activities of LED and advance the economic growth and prosperity of the state.
- (2) The secretary shall develop a comprehensive strategic plan and long range economic development plan in consultation with, and advice from, the La. Economic Development Partnership.
- (3) The secretary shall have the authority to exercise discretion in reconsidering the disallowance of any amounts of an incentive administered by Louisiana Economic Development when the basis of the disallowance relates to the expiration of filing deadlines or the failure to perform a requirement of the program due to the occurrence of an event beyond the control of the incentive recipient.
- (4) The secretary shall have the authority to enter into a cooperative endeavor agreement providing for the lease of property under the control and supervision of Louisiana Economic Development for establishment and operation of a facility for the purpose of creating economic benefits to the state, including new jobs, payroll, or other benefits.

Present law provides for information technology procurement.

Present law provides for the scope of the office of technology services.

Proposed law provides that the purchase, lease, and rental of all information technology equipment, related services, and software by LED shall be exempt from present law and the oversight and procurement authority of the chief information officer and office of technology services provided for in present law. Proposed law requires LED to continue as a LaGov agency for use of the enterprise resource planning. Proposed law provides that LED shall develop rules and regulations for the purposes adopted in proposed law in accordance with present law. LED and the office of technology services shall establish a transition plan that shall be completed by June 30, 2025. The actions taken pursuant to proposed law are subject to the approval of the commissioner of administration before they are sent to committees required for review of agency rules.

Present law provides for the Louisiana Procurement Code.

Proposed law provides that present law shall not apply to LED; however, LED shall be required to continue as a LaGov agency, and shall adopt procurement provisions pursuant to rules adopted in accordance with present law. The rules created by LED pursuant to proposed law shall be subject to the approval of the commissioner of administration before they are sent to committees required for review of agency rules. In addition, the House Committee on Appropriations and the Senate Committee on Finance shall also have authority for review of agency rules as provided for in present law.

Proposed law creates the La. Economic Development Partnership as an advisory committee to LED and provides for membership and terms of the committee.

Present law provides relative to monies in the Marketing Fund, which provides for an appropriation be made from this fund to LED for certain purposes, including one million dollars annually to be used for marketing education.

Proposed law changes the purpose of the annual one million dollar appropriation from marketing education to regional or local economic development marketing, following

guidelines to be developed by the secretary for objective, performance-based criteria for the distribution of the one million dollars.

Present law provides relative to the Louisiana Economic Development Corporation (corporation) and provides for its membership, duties, powers, and function. Provides for the following members:

- (1) The secretary of LED or his designee.
- (2) One minority member who is appointed from a list of three private sector individuals submitted by La.-based organizations representing minority business interests.

- (9) One member representing the La. venture capital industry or the La. angel investor community.
- (10) One member who is appointed from a list of three private sector individuals submitted by and currently serving on the La. Workforce Investment Council Board.

Proposed law retains the secretary of LED or his designee on the commission and changes qualifications of certain members and removes nominating bodies as follows:

- (1) One minority business owner or private sector individual representing minority business interests.
- (2) One private sector individual with experience as a startup founder.
- (3) One private sector individual with experience in regional economic development.
- (4) One private sector individual with experience from within a community bank, community development financial institution, or credit union.
- (5) One private sector individual with experience in commercial banking.
- (6) One private sector individual with experience in local economic development.
- (7) One female business owner or private sector individual representing women's business interests.
- (8) One private sector individual with experience in venture or angel investing.
- (9) One private sector individual appointed at large.

Proposed law provides for appointments and term limits of members of the corporations, a quorum, and vacancies.

Present law provides for power and authority of the corporation.

Proposed law retains present law and further provides that the corporation has the power to direct the state treasurer to invest, in a separate portfolio, the funds received for LED from any federal agency in accordance with federal guidelines. All investment income, net of investment expenditures, shall be credited to LED to be used as program revenue for associated funding.

Present law provides for the Small Business Innovation Fund and requires the corporation to work in conjunction with LSU La. Technology Transfer Office.

Proposed law removes present law provision requiring the corporation to work in conjunction with LSU La. Technology Transfer Office.

Proposed law directs the La. Law Institute to change references to "Department of Economic Development" to "Louisiana Economic Development" throughout the La. Revised Statutes of 1950.

Effective upon signature of governor or lapse of time for gubernatorial action.
