EXPENDITURE EXPLANATION

Proposed law repeals the Occupational Licensing Review Commission. Repealing the commission may lead to an increase in workload for the Department of Justice, Occupational Licensing Review Program (OLRP). The potential workload increase is indeterminable at this time. The Department of Justice reports that they will likely be able to absorb the additional workload. If the workload is greater than anticipated, the proposed law may lead to an increase in expenditures out of the Justice Occupational Licensing Review Program Fund for additional staff and/or resources.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
