16 §1845. ~~Additional rights for victims of sexual assaults, notification of rights~~ **Sexual**

17 **Assault Survivor Bill of Rights**

18 A.(1) **The legislature hereby finds and declares the urgent need to**
 19 **establish a comprehensive sexual assault survivor bill of rights. A bill of rights**
 20 **is of paramount importance in addressing the alarming under-reporting of**
 21 **sexual assault cases and ensuring that survivors receive the support, protection,**
 22 **and justice they deserve.**

23 **(2) The legislature further finds that transparency is a core principle that**
 24 **our justice system should uphold. By enacting a Sexual Assault Survivor Bill of**
 25 **Rights, barriers that prevent survivors from coming forward and seeking**
 26 **justice can be eliminated. Transparency allows survivors to share their**
 27 **experiences openly, without fear of judgment or retribution. Transparency**
 28 **empowers survivors to reclaim their narratives and break free from the chains**
 29 **of shame and secrecy. Access to records is essential for transparency and for**
 30 **survivors to navigate the often complex and overwhelming legal process. It is**

1 a matter of justice and fairness that survivors have the right to access their
 2 records, including medical reports, forensic evidence, and legal documentation.
 3 This access enables survivors to make informed decisions about their
 4 healthcare, legal options, and support services. Granting survivors access to
 5 records empowers them to actively participate in their healing and seek the
 6 justice they so rightfully deserve.

7 (3) The recognition of rights for survivors is crucial in ensuring their
 8 well-being and recovery. The legislature finds that the experiences of survivors
 9 are valid, their voices matter, and they deserve to be treated with dignity,
 10 respect, and compassion.

11 (4) Subsection C of this Section shall be known and may be cited as the
 12 Sexual Assault Survivor Bill of Rights.

 14 this Section attach regardless of whether a ~~victim~~ survivor seeks the assistance of
 15 ~~either a law enforcement official or a healthcare provider.~~ A ~~victim of sexual assault~~
 16 survivor retains all the rights of these provisions regardless of whether the ~~victim~~
 17 survivor receives a forensic medical examination or whether a sexual assault
 18 collection kit is administered.

19 (2) Notwithstanding any other provision of law to the contrary, nothing in
 20 this Section shall be construed to negate or impair any provision of law relative to
 21 the mandatory reporting of crimes against children under the age of eighteen years
 22 or to negate or impair the investigation or prosecution of any crime against children
 23 under the age of eighteen.

24 (3) Notwithstanding any other provision of law to the contrary, a
 25 defendant or person accused or convicted of a crime against a survivor does not
 26 have standing to seek to have their conviction or sentence set aside for any
 27 violation of the Sexual Assault Survivors' Bill of Rights.

28 ~~B. C.~~ A ~~victim of sexual assault~~ survivor shall have the right to following
 29 rights:

6 **(4) The right to be informed in writing of policies governing the**
 7 **collection and preservation of a sexual assault collection kit.**

8 **(5) The right to be informed in writing from the appropriate official not**
 9 **later than sixty days before the date of the intended destruction or disposal of**

 13 ~~request the presence of a sexual assault advocate during~~ **before** ~~the administration~~
 14 ~~of a forensic medical examination or a scheduled interview by a law enforcement~~
 15 ~~official if a sexual assault advocate is reasonably available. Nothing in this Section~~
 16 ~~shall be construed to prohibit the conducting of a forensic medical examination or~~
 17 ~~an interview by a law enforcement official in the absence of a sexual assault~~
 18 ~~advocate. All victims of sexual assault shall~~

19 **(7) The right to** ~~have the right to access~~ **to** ~~and obtain a copy of their forensic~~
 20 ~~medical examination report at no cost to them pursuant to R.S. 40:1216.1(G).~~

 25 **reports from law enforcement when those records are provided to the defendant**

3 any other law of this state.

4 D. Any complaint about a violation of this Section may be submitted
5 directly to the Senate Select Committee on Women and Children for legislative
6 oversight.
