

RÉSUMÉ DIGEST

ACT 481 (SB 246)

2024 Regular Session

Luneau

Existing law provides that any person whose cause of action related to sexual abuse of a minor was barred by liberative prescription shall be permitted to file an action under existing law on or before June 14, 2024.

Existing law provides that it is the express intent of the legislature to revive until June 14, 2024, any cause of action related to sexual abuse of a minor that previously prescribed under any La. prescriptive period.

New law retains existing law, but extends the deadline to file an action from June 14, 2024 to June 14, 2027.

Effective August 1, 2024.
