

RÉSUMÉ DIGEST

ACT 397 (SB 344)

2024 Regular Session

Barrow

New law requires an applicant or an existing insured with a homeowner's insurance policy to disclose to the insurer that the property is to be used or is being used as a group home. New law provides that an insured's failure to provide this disclosure authorizes an insurer to cancel or nonrenew a homeowner's policy with cause as provided by existing law.

Effective May 28, 2024.
