

RÉSUMÉ DIGEST

ACT 60 (SB 260)

2024 Regular Session

Cloud

Prior law provides the Dept. of Transportation and Development shall establish a special permit to transporters of heavy equipment.

New law retains prior law and further provides the department shall allow permits to be amended or transferred between vehicles four times a year.

New law further provides for the department to have discretion for additional permit transfers.

Effective August 1, 2024.
